

PLEASE READ

Dear Hosp Parents,

The Hosp Color Run is approaching fast. It will be held this year on Friday, October 27th. **This is the school's main fundraiser for the year** and it is important to pull together as a family and a community to support our school and our children. We would like to make this the best fundraising year yet! And we can do it with your help!!

What is the Color Run?

The Hosp Color Run is the name of this year's school fun run and fundraiser. As we did last year, we will add to the success and enjoyment of the Fun Run by adding a twist...we will be using colored powder during our run and encouraging our Hosp students and teachers to wear bright neon accessories and colors along with the white t-shirt and sunglasses we will provide the students and their teachers.

How can you help...

- ***If you OWN A BUSINESS or know someone who owns a business***, you can sponsor the race or make a donation. It is a great opportunity to support the school and children as well as receive a **tax deduction**. Sponsors will be included on the Color Run t-shirt, Sponsor banner as well as the School Directory (based on donation level). For more information on sponsorships and donations, please contact **Nikki Tran** at hospfunrun2016@gmail.com.
- ***As a FAMILY***, you can go online to The Get Movin' Crew (www.thegetmovincrew.com), register your child(ren) and start raising money. A detailed packet will go home in late September explaining how the online process works.

Our goal for each student is \$75.

- ***INDIVIDUALLY***, you can volunteer to be on the committee or sign up to help the day of the event. It will take wonderful volunteers like you to make this event a successful fundraiser for the school and the children. If you are interested in helping in the planning process or helping the day-of the event, you can email Kelly Gyure at hospfunrun2016@gmail.com. Also if you are interested in volunteering on the day of, be on the lookout for a Sign Up Genius coming out in October.

What will the funds be used for?

Over the past several years, we have raised money to help provide the large sunshade over the playground, buy ChromeBook computers and charging carts for the children, additional training for our teachers, and much more!! This year we would like to raise money to add to our funds from last year to help build an Outdoor Learning Center and add to the Scholarship Fund eligible for Hosp students as they move on to college.

Last year at Hosp we raised about \$25,000. With our anticipated growth, our goal is to raise *even more* this year. With the help of the community and our Hosp families we can do this!

THANK YOU in advance for all your support and your participation!

This is going to be a great year at HOSP ELEMENTARY!!!
